## Supporting the R. Harold Zook Home & Studio Preservation Project

### Sponsorship Levels

#### **R. Harold Zook Studio** **\$50,000\***

As an architect, Zook was unique. The Studio embodies Zook's creative architectural details. Once complete, the Studio will be the repository of all things Zook: archives, artifacts and resources. A gift at this level of sponsorship enables the Studio to become a celebration of Zook's unique design; allowing future generations to learn from his talents.

#### **Fine Arts Room** **\$25,000**

As an architect shares his gift through design and execution, an artist shares his gift through creativity and expression. Once complete, the upper level rooms will become private fine arts studios that will allow the artistic talents of the children and adults of our community to fill the home. A gift at this level allows budding artists to grow; helping them to realize their talents and gifts.

#### **Spider Web** **\$10,000**

The spider web is a noted trademark of Zook's work. Crafted in a variety of materials, Zook-designed spider webs were built into the fabric of the homes he designed. Be a part of the fabric of the Zook Home & Studio by supporting at this level.

#### **Architect Hall** **\$5,000**

As an architect, Zook was unique. His varied levels, use of natural elements, and integration of artistic patterns became a design all his own. Anyone familiar with his work can identify many of his homes immediately. A gift at this level promises to restore our community's architectural gem, the Zook Home & Studio, to its original splendor.

#### **Zookie** **\$1,000-\$4,999**

Those filled with enthusiasm for Zook's art are playfully called "Zookies." Preserving Zook's history, as well as his artifacts and work, and making it accessible to all in the community fosters continued enthusiasm for Zook's legacy.

#### **Spirit of Zook** **up to \$999**

R. Harold Zook's spirit is fundamentally a part of the design of the Home & Studio. Zook was an active member of the Hinsdale community for 25 years. Help keep his vision and design an integral part of the community and Hinsdale's distinctive character.

\*Gifts beyond \$50,000 give the donor the ability to work with fund development to customize their own naming opportunity.
